

AACS Board of Directors: Email Vote

4 responses

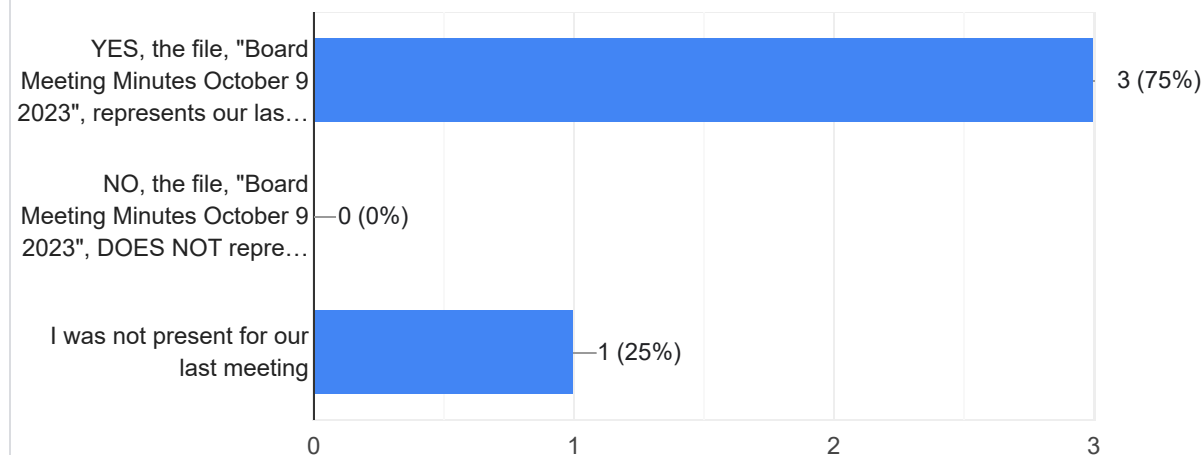

Review and approve last month's meeting minutes

[Board Meeting Minutes October 9 2023](#)

You should be able to write any corrections in the "Other" line and then cast a vote. This will represent that you approve with corrections.

Growth Feasibility recommends approval of up to \$18,000 for HVAC controls repair as a "bandaid" approach until the new system can be placed in effect next year.

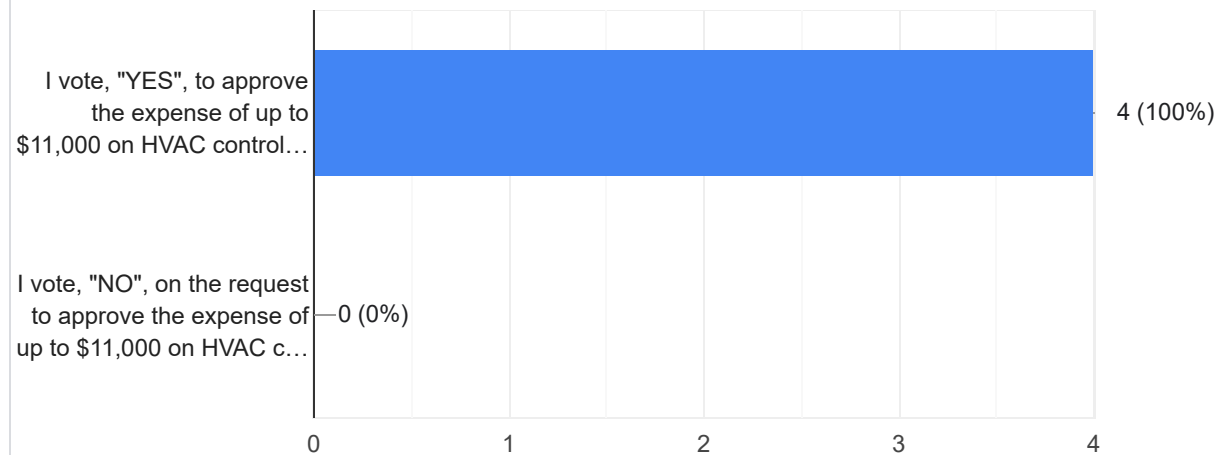

[LONG proposal for RTU controls repair](#)

These repairs will provide us a more efficient means to control the rooftop air conditioners through out the Winter and Spring.

The funds will be pulled from the allocated HVAC Project totals.
