A Warm Welcome to a New School Year!

Hello Aurora Academy Families!

I want to extend a huge welcome to all our students, both new and returning. I am so excited to get moving, play games, and build a positive foundation for lifelong health and fitness together. This first week is all about getting to know each other, learning our gym safety rules and setting the tone of respect and teamwork for the year ahead.

This newsletter is our primary way of communicating with you, so please keep an eye out for it weekly. I will share what we're learning in class, announce important events, and provide fun activities for your kids to do at home. I am looking forward to a fantastic year of energy, learning, and fun!

About Ms. Starkey

I am a proud graduate of the University of Northern Colorado with a degree in Sport and Exercise Science and an emphasis in K-12 Physical Education. With 9 years of teaching experience, I am dedicated to fostering a love for physical activity in all students. I strive to ensure that every student finds enjoyment in participating in a variety of physical activities, from sports to exercise, helping them build a lifelong appreciation for staying active.
