Building Our PE Community

Primary Physical Education (K-2)

Get ready to float, catch, and groove! This week, we launch our high-flying **locomotor and manipulative unit** by turning colorful scarves into dancing, tracking, and tossing magic. Students will practice moving gracefully across the gym while tracking falling objects, building the foundational hand-eye coordination and body control needed for future throwing and catching mastery.

Intermediate Physical Education (3-5)

Get ready to move, connect, and outsmart! This week, intermediate grades kick off the fundamentals of **invasion games**, learning how to share space, communicate under pressure, and build team strategies to move objects down the floor. Students will discover that scoring isn't about speed alone—it's about smart passing, vocal teamwork, and finding open space together.

Middle School Physical Education (6-8)

Our middle schoolers are hitting the gym floor for a high-energy Floor Hockey mini-unit! We are focusing on safe stick handling and precision passing to foster teamwork and leadership in a fast-paced, competitive environment. This unit is a fantastic way to promote health-enhancing physical activity while building school spirit through strategic, cooperative play.

School & Community Events

List upcoming events and assignments for the week.

Date	Details
Sep 14	Elementary PE - (C) Day rotation Peters (1), Coxall (4)
Sep 15	Elementary PE - (D) Day rotation Nether (2), Walter (K), McElreath (4) Parent-Teacher Conferences, 4:00 - 7:00 PM

About Ms. Starkey

I am a proud graduate of the University of Northern Colorado with a degree in Sport and Exercise Science and an emphasis in K-12 Physical Education. With 9 years of teaching experience, I am dedicated to fostering a love for physical activity in all students. I strive to ensure that every student finds enjoyment in participating in a variety of physical activities, from sports to exercise, helping them build a lifelong appreciation for staying active.
